Rave Fashion Show

Sponsorship Interest Packet

Thank you for your interest in being a sponsor for our Rave Fashion Show!

Date: May 16, 2026

Time: TBD

Address: EventThem Studios, 342 Salem Street, Medford, MA

Hosted by: EventThem Studios and Arsenia's Arts LLC

What is the Rave Fashion Show and who are we?

Say hello to a brand new experience: A rave fashion show!

This event will be leaning heavily into having local designers, photographers, artists, businesses, and DJs involved to make sure that small and local businesses are showcased and celebrated in the way they deserve to be!

This event will showcase clothing the way it's meant to be seen: Worn by people having fun!

It will be a night full of designers and DJ's all coming together to create a brand new experience for people who love fashion and music. We will also have two live painters on site (one in each of the VIP areas) to make the experience even more immersive.

EventThem is a full-service event production, event planning, and event management company. Since 2015, they have produced and partnered on community, local and national events including concerts, festivals, parties, meetings, conferences, fundraisers, sporting events and more. Proudly located in Somerville and Medford, MA, they welcome the challenge of new, creative ideas for any occasion, large or small.

Arsenia's Arts LLC is a for profit crochet clothing business started in June 2024, with every piece made and designed by Arsenia Moraitis. She specializes in rave and custom clothing, with dreams of making clothing for musicians one day and doing merch collaborations. She has done fashion shows at RPM Fest, Cape Cod Fashion Week, Artisans Asylum, and more. Arsenia recently started The School of Fashion Design Boston and has always had a dream of combining music with fashion and revolutionizing how fashion is shown to and seen by the public.

Sponsors/Sponsorships

We are looking for local New England businesses to help us make this dream a reality!

Your sponsorships will help us with providing staff, photographers, models, videographers, hair and makeup artists, Djs and so much more so that we can have as many local businesses involved as possible. In addition, sponsorships give opportunities to advertise your business throughout the marketing of the event as well as during the event itself.

We have many different levels to choose from with every level providing more exposure for your business, as well as the opportunity to give out branded swag at the event. Whether it's a small or large donation, every dollar helps us get closer and closer to making this amazing dream of bringing community, music and fashion together a reality!

(Please refer to the sheets in this packet for more information on the types of sponsorships as well as what you get with each one.)

Please email any inquiries by March 28, 2026, to be included in the print poster.
All sponsors must be paid and finalized by April 30, 2026, to be included in the print poster.
Sponsorships will be accepted until May 1, 2026 to be included in the program and on-site printed materials.

Please reach out to Arsenia's Arts LLC at arseniasarts@gmail.com for more information and the sponsorship application!
